

MANIAC SPIDER TRASH

1. HOW AND WHEN DID THE BAND FORM?

(In the summer of '69, me and some friends from school had a band and we tried real hard...)

Actually, we formed in May of 1993 after playing in other various bullshit, stupid, untrue bands. We all love playing aggressive and loud music. Designing our theatrics and props for our live shows is just as much fun as writing MANIAC SPIDER TRASH music. It's in our blood!

2. HOW DID THE BAND GET NAMED MANIAC SPIDER TRASH?

We inherited it from our dead rich uncle. R.J.P. You know, they never found his other testicle.

3. WHAT'S A GOOD DESCRIPTION OF THE KIND OF MUSIC THAT'S FOUND ON YOUR EP "DUMPSTER MUMMIES"?

Monster, psycho, shock-rock, street trash.

4. WHO IS YOUR MAIN INSPIRATION IN LIFE?

The Groovy Ghoules and Shaft (a hard brother from the '70 's)

5. WHAT'S YOUR FAVORITE SAYING OR PHRASE?

"Gee, your buttons are shiny" and "I don't know anything about that officer".

6. WHAT KIND OF PLANS ARE IN THE FUTURE FOR MANIAC SPIDER TRASH?

We plan to record "Lollipop Monster Crunch" in 1995. We also plan on playing some shows in New York; Atlanta, GA; and Florida this summer. We're still looking for that elusive record deal.

7. ANY FINAL COMMENTS?

The music scene today needs a hard, psycho rock n roll enema. In the immortal words of Dee Snider, "Join the land of the living and stop being a dead piece of shit."
